Juneau County Board of Supervisors

Courthouse, 220 East State Street
Mauston, Wisconsin 53948

RESOLUTION No. 16 – 25

DATE: March 15, 2016

INTRODUCED BY: Executive Committee

SYNOPSIS: Expressing the County Board's Lack of Confidence in the Ability of District Attorney Solovey to Carry Out the Duties of His Office and Declaring that in the Public Interest He Should Resign His Position to Allow the Governor to Appoint a Duly Qualified Successor

WHEREAS, the office of Juneau County District Attorney is of major importance to the safety and well-being of County residents and is a complex and challenging position in terms of the substantive law and procedure involved in being the County's top prosecutor and law enforcement officer, requiring a high level of expertise in criminal law and criminal procedure and a high level of competence and experience as a prosecutor and office administrator; and

WHEREAS, District Attorney Solovey's job performance to date, despite his ample time on the job to perfect the necessary skills, has demonstrated that he lacks the basic competence necessary for the job within the meaning of the first canon of the Rules of Professional Responsibility for Wisconsin attorneys (Supreme Court Rule 20:1.1), which reads as follows:

"A lawyer shall provide competent representation to a client. Competent representation requires the legal knowledge, skill, thoroughness and preparation reasonably necessary for the representation,"

and he nonetheless persists in maintaining his position as the primary representative of Juneau County in law enforcement matters; and

WHEREAS, a closed session Executive Committee meeting with District Attorney Michael T. Solovey on February 8, 2016 to review complaints about his job performance was the third such meeting since the fall of 2014; and

WHEREAS, multiple complaints have been received that he has been abusive to the employees of his office, the number and extent of which raise claims of a hostile work environment; and

WHEREAS, he has shown disrespect for the public by making sexist, racist and other such offensive remarks in the office and in public; and

WHEREAS, as a result of numerous complaints from the Department of Human Services and investigation by the County Corporation Counsel, in October of 2014 it was determined by the Executive Committee that Michael T. Solovey was incompetent in his handling of Children in Need of Protection or Services (CHIPS) cases to the extent that it was necessary for the County to hire a new lawyer to handle those particular cases, at a cost to the County of more than \$29,500 per year; and

WHEREAS, because of Mr. Solovey's substandard and inadequate handling of CHIPS cases, it ultimately became necessary for the County Board in early 2015 to formally and permanently transfer prosecutorial responsibility for matters concerning the safety and well-being of children and families from the District Attorney's office to the office of the Corporation Counsel; and

WHEREAS, complaints and petitions have been received from both county and municipal law enforcement officials from throughout the county, indicating that he has lost their respect and confidence as a result of his unwillingness to properly exercise his prosecutorial discretion and his overall substandard performance; and

WHEREAS, based upon the reports of law enforcement and local defense attorneys and investigation by County Board staff, Mr. Solovey has developed a reputation in the legal community in Juneau County and in neighboring counties as well as the Department of Justice in Madison of being an incompetent district attorney; and

WHEREAS, it is of supreme importance that victims of crime, and public safety in general, be upheld and supported by the District Attorney's office, and it is incumbent upon the County Board to put the public interest before any issues of a personal or political nature;

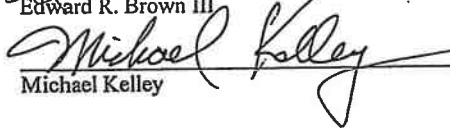

NOW, THEREFORE BE IT RESOLVED, that the Juneau County Board of Supervisors shall and hereby does publicly express its lack of confidence in District Attorney Michael T. Solovey to properly or effectively discharge the duties of his office and its firm belief that in the public interest he should resign his office effective immediately to allow the governor to appoint a duly qualified successor to fill the remainder of his term in office.

To Whom It May Concern:

Recently the Juneau County Deputy Sheriff's Association and Mauston Professional Police Associations have met and discussed issues our members are having with District Attorney Michael Solovey. Each of our organizations' members has experienced frustration dealing with Mr. Solovey for many different types of cases. After nearly four years on the job, he has demonstrated that he is unwilling or incapable of prosecuting the crimes that plague our community, has shown a crass attitude towards crime victims and witnesses, and that he is unwilling to hear our concerns. The JCDSA and MPPA joins most of the law enforcement officials in Juneau County, including Sheriff Brent Oleson, who have voiced their concerns that Solovey continues to demonstrate that he is not qualified to enforce public safety and his actions put the safety of our members and the public at increased risk of victimization of crimes.

Our members have no confidence in Mr. Solovey's ability to competently discharge the duties of his elected position and we support the Juneau County Board of Supervisors in their resolution asking for the resignation of District Attorney Michael Solovey. Juneau County's law enforcement community take great risks to keep our communities safe and we are tired of seeing cases fall through the cracks because our DA doesn't know what he's doing. The families in this county and the dedicated officers upon whom their safety relies can no longer afford Solovey's weak leadership and poor performance.

The Juneau County Deputy Sheriff's Association represents 36 deputies and the Mauston Professional Police Association represents 7 police officers. Both are affiliated with the Wisconsin Professional Police Association, the state's largest law enforcement group.

To Whom It May Concern,

We, the undersigned, hereby attest by virtue of our signature, that we have "no-confidence" in the ability of Juneau County District Attorney Michael Solovey to effectively discharge the duties of his office.

The District Attorney is charged with the task of vigorously prosecuting all criminal actions brought before him. District Attorney Solovey has declined to prosecute some flagrant cases that were referred to his Office for prosecution. As disturbing, when he does file charges that are warranted, he does not possess the competence and knowledge to be successful.

Most troubling is the treatment of victims of crimes by District Attorney Solovey. Section 9m of Wisconsin's Constitution states, "This state shall treat crime victims, as defined by law, with fairness, dignity and respect for their privacy." Failure to file charges when warranted prevents the ability for a victim to see his/her offender held accountable for their actions. This in-action, in addition to adversely impacting the mental and physical state of a victim, can also result in future re-victimization by the offender as the offender sees no negative action from the crime he/she committed.

Examples of questions asked of the investigating officer by D.A. Solovey about the victims of some of the crimes referred to his Office have included, "Are the victim's parents still together;" referring to a high school girl who was the victim of a sexual assault. D.A. Solovey also asks if the victim looked "rode hard;" another question asked about the child victim - is the victim putting things on Facebook where it looks as if she is "just asking for it." Whether the elements of a crime are present should determine if criminal charges are filed, not whether D.A. Solovey feels the victim is "victim worthy."

This action is unprecedented, by the undersigned, and we regret we have to take this course, however, to stand silent on such an important issue would be contrary to the oath we all took to protect and serve. Additionally, failure to act and educate the public on the incompetence of District Attorney Solovey will result in the failure of future criminals in Juneau County being held accountable, causing more individuals to be victimized.

Respectfully,
